## We're different. Good different.

Blackpool Music School, as registered charity, operates on a membership basis. Students can use the music rooms for practice, *subject to availability and conditons*, and access a large library of musical instruments and equipment. Memberships offer numerous benefits, as music can evoke various emotions and inspire motivation.

We offer daytime and evening sessions, weekly in 30-minute and 1-hour lengths (band). We provide a variety of instruments for students (*contact us for details*) to use and learn with. Tuition can be either on-site, or in the comfort of your own home (*limited availability*).
